Paid plan

Get accurate traffic data from fixed cameras already starting at 7 € per hour! It does not matter if you are a traffic engineer, student or just traffic enthusiast - we have a suitable Credit package for everyone. Purchased Credits can be used both for the SCOUT service and for DRONE = it is up to you, there is only one shared Credit Wallet on your User Account!

Why Credit Plan?

- Price efficiency: the more videos you analyse, the lower the price
- Processing Priority: the higher the package, the higher priority in processing of your videos
- Data Privacy: the videos and results are only yours!
- No size limitation: 2 hours, 10 hours or 24 hours of video data? No problem!
- Data Availability: you can download the results and store them on your PC
